Gavilya Serial Key is the one-stop-shop for your games. From now on, no need to worry about installing and updating multiple launchers for your games. All you have to do is run Gavilya Crack Keygen, add your games from multiple launchers to your new Gavilya App ID (or Microsoft Store or Steam App ID), then you are good to go. Gavilya Features: Home: Get all your most played games in one place. Library: Add and manage all your games from different launchers. Settings: Change your App ID, turn off the pop-up notifications for new games, or adjust the colors. Live Demo: Watch the Gavilya Demo on YouTube. Gavilya Key Features: RAWG: A simple and easy way to add games to Gavilya App ID from Steam. Microsoft Store: Add apps from Microsoft Store to Gavilya. Steam: Add games from Steam to Gavilya. Xbox: Add games from Xbox to Gavilya. Pros: - All games from different launchers can be managed in one place. - Additional windows, if opened, do not overlap on the UI. - Separate notifications for new games. - Support all game launchers. Cons: - There is no universal app on Windows 10 that works with all game launchers. - All launchers have to be installed separately. Overall Score: 9.5/10 Gavilya New: The latest version of Gavilya is available at Posted by David on 2019-10-05 10:48:03 Well, it looks like a very simple Windows 10 application, which is not easy to find, especially with its small star rating. The application has been created in the better than six months ago, but the only rating is 1 star and the "I don't like it" button is disabled. Maybe someone should give a "Like" and change the rating to 2? It doesn't matter. But, if someone had installed, he will find it easier to use.
