xforcekeygenArtCAM201464bitwindows10 Peace, Phil A: It's very likely you would need to contact the author to get the source code for your "cracked" product to be valid. If the product is "cracked", it may be patented and protected by a license agreement. To make a product "cracked" it must release the software under an open source license, like the GPL or the ArtCAM source is currently not released under a free license (under the GPL and ArtCAM, it must be released under the GPL, with the source code available under the GPL). Also, if the ArtCAM
