1.Volunteer Volunteer Volunteer at the Center! The women's shelter is happy to have volunteers who are dedicated to the women who come to the Center to become healthy, be fed, and be housed. As our needs change, so do our volunteer needs.

We would love to be able to tell you that these volunteer opportunities are for the little old ladies sitting on the floor.

However, we are looking for people who have an entrepreneurial spirit and want to make an impact on the lives of our shelter guests through their volunteerism. The Center's volunteers come in all ages, genders, cultural backgrounds and income levels. The opportunity of volunteering is an excellent way to "give back" to our residents and make a positive impact in the lives of women in our community. We currently have many volunteer opportunities available. Please contact us to discuss how you can get involved! 6d1f23a050
